Affordable Cape Cod style home located in the City of Princeton. It has the charm you expect in a Cape Cod... gabled roof, arched doorways, wood floors, and ingenious storage areas. Improvements in recent years include light fixtures, flooring, kitchen cabinetry and counter and an updated bath. The home sits on a large corner lot so you have room for yard games or a spot to plant a garden. Storage will not be a problem, as there is a one car attached garage, plus a two car detached garage, what a bonus!
